ECTON VIEW News

Welcome to the October edition of Ecton View, summer is finally behind us and the nights are drawing in with the temperatures starting to drop so fires are being lit and the thermostat on the central heating is turned up a notch.

October sees the return of Winter Warmers where you can go to the village hall and have a chat plus a 2 course lunch for £3.50 (full details are available on page 10).

Other notable events taking place this month in the village are the return of the fortnightly Three Horseshoes pub quiz, Race Night and Tabletop Sale at the village hall. The Tabletop sale is an ideal place to start your Christmas shopping.

Towards the end of the month no doubt we will start seeing houses decorated for Halloween. Also on **October 25th the clocks change** as we revert back to GMT, the good news for this is that there is an extra hour in bed. If the weather is fair on October 26th we will have the opportunity to see the Hunter's Moon which is the first full moon after the Harvest Moon.

Don't forget Ecton Brew Friday October 2nd for the best bacon butties, homemade cakes, and freshly brewed coffee around.

There is still time for our budding artists in the village to come up with a design for the 2026 Ecton Christmas Card. See page 15 for further details. In this month's magazine you will find an envelope where you can place your card message and donation (further details are shown on the envelope).

Also if you fancy sending us your Desert Island Disc selection please send them to Ectonviewmagazine@outlook.com, all contributions are welcome! Template can be provided if required.

Rector's Letter October 2026

We are now well and truly into autumn, although the recent high temperatures make that hard to believe! Autumn is a season of change, both in nature and in our daily lives. It brings a shift in weather, daylight and mood, it can also be one of the most inspiring times of the year.

This time last year I read a book called *Wintering* by Katherine May. Beginning with the month of October, the month of harvests, of baking and soup making, it then accompanies the reader through the long winter months, until spring is upon us once more. It is a book which encourages us to notice the sights, sounds and smells of the seasons and the joys to be found through slowing down alongside nature. The rich colours, deep earthy scents and soft sounds that autumn brings, offering insights into our world we often miss.

Allowing ourselves time to pause and reflect is essential for our physical, mental and spiritual well being and never more so than when we have suffered the loss of a loved one, be that recently, or some time ago.

With this mind our churches have an annual Benefice Memorial Service, which this year is on **Sunday 25th October 3pm at Great Doddington church**. It is a service to remember and give thanks for the lives of those who have died. Everyone is welcome, whether your loss is recent or many years ago, whether you usually come to church or not. We will meet in the main part of the church for about 45 minutes, after which refreshments will be served. The service will be quiet and reflective with hymns, readings, a short address, prayers and the opportunity to light a candle, if you wish to, in memory of our loved ones.

As we move through the season of autumn and prepare for winter, may we do so being attentive to the changes around us and remembering those who have inspired us on our way.

Yours in Christ,

Revd. Jackie Buck gdwe3@hotmail.com 07883 583202

Become a volunteer Puppy Raiser with Guide Dogs

Are you a dog lover? Do you have the time to help raise a life-changing puppy? Would you like to make a difference to someone's life? If you've answered yes to these questions, then this could be the perfect role for you!

As a Puppy Raiser, you'll provide a 6-8 week-old puppy with the vital foundation for its future role as a guide dog. You'll be looking after a puppy for 12-16 months and will guide him or her through training, socialisation, the introduction of new environments and experiences whilst providing a loving home. All food and vet costs are covered along with full training and support and we also have a boarding scheme for when you are away!

There might be the odd chewed slipper here and there but nothing beats the rewarding feeling of loving and raising a puppy which will go on to make an enormous difference to someone living with sight loss.

Puppy Raiser, Kelly, says -

"It's the most rewarding and fulfilling thing I have ever done. I have an enormous sense of worth and pride in my role. There are so many people willing to help. It's a lovely community of Puppy Raisers who want all the dogs to succeed and are always happy to help."

Ecton History Group

John Drummond (1873–1931) **From a Scottish Stable to Ecton Hall**

A few months ago I wrote about Duchess, Colonel Herbert Sotheby's faithful war horse. That led me to look more closely at the life of the man who cared for her – John Drummond, a Scottish groom who made Ecton his home.

Born in Muthill, Perthshire, on 8 August 1873, John was working as a groom by the age of eighteen. The 1901 Census places him at Balbirnie Stables in Fife before he moved south to become groom and coachman at Ecton Hall, in the service of Colonel Sotheby.

John married Florence Hannah Labrum in 1907, raised a family in Ecton and, when war broke out, joined the Army Service Corps. He served in France from 1915 until 1919, transporting essential supplies to the front before returning to Ecton Hall. Village memories also recall John as the local barber, cutting the hair of many Ecton boys.

He remained closely associated with Duchess, who survived the First World War after being wounded at the Battle of Loos. John's own story ended in July 1931, aged just 57. Duchess's memorial records that she died on the same day as "the groom Drummond, who always attended her."

If you are interested in more details, or researching any other Ecton family, just let me know.

It is with great sadness that the family of Brian Saunders announce his passing on the 8th September at the age of 90.

Brian was born in Ecton in 1936, spending all of his long life closely connected to the village. His earliest years were spent living at Blacksmith's Yard, before moving with his parents, Walter and Winnie, to Franklin's Close in the 1950s. Brian went to school in Ecton, he was keen at sports, playing football for the village, and enjoyed representing Ecton on the cricket field over a remarkable 7 decades. Brian remained very much connected with Ecton, returning to the village in the 1990s, where he lived happily with his wife Sylvia in Church View. Brian loved gardening, and like his father before him, kept an allotment in Ecton for many years. Before his retirement, he turned his love of gardening into a business, tending several gardens in the village. He loved the church, and was always happy to spend his time there keeping the churchyard looking at its best. Brian also supported the church as a sideman, on the PCC, by singing in the choir, and occasionally playing the organ.

He will be dearly missed by his daughters Jane, Caroline and Sarah, step daughters Julie and Carol, family and friends.

Following a private cremation, a funeral service will be held at St. Mary Magdalene Church Ecton on Friday 9 October at 2pm. No flowers, donations to St. Mary Magdalene Church Ecton.

ECTON SAFARI SUPPER

Saturday 7th November

(in aid of Ecton Church)

How does it work? All the guests go on safari, moving from house to house between courses. The evening begins at 7.30pm as we all meet together for a pre-dinner drink and canapés. Everyone then moves to different houses - with different groups of people - for each course. The evening will end with everyone together again for cheese, coffee and port.

Who can take part? Everyone! It's a great way to meet friends and neighbours - particularly if you are new to Ecton.

What do I have to do? We do need people to host a main course or a pudding for 8 people, or to bring a plate of canapés to the pre-dinner drinks house. If you haven't hosted before you'll be extra welcome! It's not a cookery competition - simple food is fine. (There will be a financial contribution for the food and wine).

What does it cost? Tickets are £20 per person (and we will be selling raffle tickets on the night, so please bring some extra pennies with you!).

More questions or to book a place? Call Sally on 07850 416429 or email Carol at carolarmstrong1@gmail.com

Beauty, Birds and Books

Isn't creation wonderful, a little rain and the grass is soon green again, although there is no room for complacency. Our environment and nature are still in trouble and we all need to contribute to the restoration and flourishing of the natural environment for our own well-being. Part of that is being careful with resources – Turn it off if you don't need it. Grey water for the garden and an extra jumper are a start. Autumn is well under way, a wonderful season with its colours, smells and bounty of food (perhaps depleted for us this year), although for wildlife some berries in the hedgerows are looking juicier and less shrivelled. Migration gives us a chance to see different birds arriving. New books out worth a look – Autumn by Kate Mosse and Is a River Alive by Robert Macfarlane. **Charlotte Eley**

Changing Seasons

It is so good to watch and experience the changes in our seasons and see the adaptations made by the wildlife in our churchyard – green grass, autumn colours, berries and the emergence of busy ivy bees that have made their home in the bank by the north porch. Bees are important pollinators and time their life cycle to that of the plants producing the nectar they need. The ivy is in flower around the churchyard now. I find this interconnection of nature amazing and we are trying to enhance the chances for wildlife in the wilder areas of the churchyard. I am looking for fungi which grows at this time of year. The sunflowers self seeded last year and hopefully will this year too.

I also enjoy the herbs flowers and shrubs as well as some areas of nettles and undergrowth which attracts butterflies and is cover for insects, small mammals and occasional pheasants and squirrels. If you are interested both in the tidier mown areas and the more overgrown wild areas please join us on the first Saturday each month. **Anne Henderson**

Answers to last months Quiz questions.....

1. Little town flirt was released by Del Shannon.
2. Move over Darling was a hit for Doris Day.
3. Enya's first Number One was called Orinoco Flow.
4. Clyde McPhatter was lead singer with The Drifters.
- 5.. "B" side of Relax by Frankie Goes To Hollywood was Ferry Cross The Mersey.
